Lewes Community Football Club Limited

Statement of Directors' Responsibilities

The directors are responsible for preparing the Directors' Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the group and the company and of the profit or loss of the group for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the group's and the company's transactions and disclose with reasonable accuracy at any time the financial position of the group and the company and enable them to ensure that the financial statements comply with the Co-operative and Community Benefit Societies Act 2014. They are also responsible for safeguarding the assets of the group and the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Independent Auditor's Report to the Members of Lewes Community Football Club Limited

We have audited the financial statements of Lewes Community Football Club Limited for the year ended 31 May 2014, set out on pages 6 to 15. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

This report is made solely to the company's members, as a body, in accordance with the Co-operative and Community Benefit Societies Act 2014. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of directors and auditor

As explained more fully in the Statement of Directors' Responsibilities (set out on page 3), the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's (APB's) Ethical Standards for Auditors.

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the group's and parent company's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the directors; and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the Annual Report and Consolidated Financial Statements to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

Opinion on financial statements

In our opinion the financial statements:

- give a true and fair view of the state of the group's and of the parent company's affairs as at 31 May 2014 and of the group's and of the parent company's loss for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Co-operative and Community Benefit Societies Act 2014.

**Independent Auditor's Report to the Members of
Lewes Community Football Club Limited**

..... continued

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Co-operative and Community Benefit Societies Act 2014 requires us to report to you if, in our opinion:

- a satisfactory system of control over transactions has not been maintained; or
- the company has not kept proper accounting records; or
- the financial statements are not in agreement with the accounting records and returns; or
- we have not received all the information and explanations we require for our audit.

Lewes Community Football Club Limited
Notes to the Financial Statements for the Year Ended 31 May 2014

1 Accounting policies

Basis of preparation

The financial statements have been prepared under the historical cost convention and in accordance with applicable accounting standards.

Basis of consolidation

The financial statements consolidate the results of the company and its wholly owned subsidiary company, Lewes 2000 F.C. Ltd. The subsidiary company produces results for the year co-terminous with the parent company.

Going concern

The financial statements have been prepared on a going concern basis. This assumes that the group will continue to be able to generate sufficient financial support to fund the operations of the football club. The directors have indicated that they have no reason to believe this support will not continue for the foreseeable future.

Turnover

Turnover represents amounts chargeable, net of value added tax, in respect of the sale of goods and services to customers, and amounts received in respect of membership subscriptions and donations.

Government grants

Grants are credited to deferred revenue. Grants towards capital expenditure are released to the profit and loss account over the expected useful life of the assets. Grants towards revenue expenditure are released to the profit and loss account as the related expenditure is incurred.

Depreciation

Depreciation is provided on tangible fixed assets so as to write off the cost or valuation, less any estimated residual value, over their expected useful economic life as follows:

Asset class	Depreciation method and rate
Leasehold properties	5% straight line
Plant and machinery	4% straight line and 15% reducing balance
Motor vehicles	25% reducing balance

Fixed asset investments

Fixed asset investments are stated at cost less provision for permanent diminution in value.

Hire purchase and leasing

Rentals payable under operating leases are charged in the profit and loss account on a straight line basis over the lease term.

Financial instruments

Financial instruments are classified and accounted for, according to the substance of the contractual arrangement, as financial assets, financial liabilities or equity instruments. An equity instrument is any contract that evidences a residual interest in the assets of the group after deducting all of its liabilities. Where shares are issued, any component that creates a financial liability of the group is presented as a liability in the balance sheet. The corresponding dividends relating to the liability component are charged as interest expense in the profit and loss account.

2 Operating loss

Operating loss is stated after charging:

All loans are unsecured and interest free, except for £36,696 of loans received to fund the solar panel installation. Interest is paid on these loans equivalent to an agreed share of the Feed In Tariff received from electricity generation. One loan of £175,599 is only repayable if the club reaches the 2nd or subsequent rounds proper of the FA Cup or sells a player for more than £10,000, in which case 25% of the Cup prize money or 33% of the player transfer fee is payable to the lender - this condition continues until the loan is fully repaid.
