Key relationships: 1st Team Manager and Assistant, Performance Staff, Club Administration

Location: The Dripping Pan, Lewes, Mountfield Road

Salary: TBD subject to interview and experience

Part-Time Position

Performance Support Role: Analysis and Scouting

Job Description

The successful candidate will have the experience, skills, and character to support our men's 1st team technical staff and players with tailored performance analysis support:

- Provide tailored performance analysis support for the Men's First Team staff and players.
- Opposition Analysis - providing detailed and informed analysis of forthcoming opposition to coaches and relevant resources to be delivered and available to the first team squad, on a game-by-game basis.
- Individual Player Development - produce individual player analysis as directed by the first team staff.

Key responsibilities :

- Capture and analyze opponent's games.
- Analyze opposition match footage providing insights to relevant coaching staff and creating detailed reports to facilitate game plan creation.
- Contribute to the development of best practice video libraries for use of all coaching staff and players.
- Sharing relevant video, data and other resources with staff and players using various technology platforms.

Potential additional responsibilities per request :

- Maintain individual player development databases for tracking and benchmarking player development.
- Provide detailed video-based dossiers for potential loan players.
- Other duties related to the role at the discretion of the Management Team

Qualifications, Skills and Experience:

- Excellent understanding of football tactics, games management, and talent ID
- BSc in Performance Analysis or working towards
- Competency in using: Interactive Technology and Software (Focus, Hudl, Sportscode)
- Experience of analysis at either senior or elite youth level (3+ years preferred)
- Excellent communicator, highly open-minded, and creative educator
- Proactive and driven to succeed, responsible and accountable to deadlines
- A developed understanding of the importance of marginal gains
- Attention to detail, dedicated to the role and the extra hours needed outside standard working day

Application Process:

The deadline for submission is midnight on October 21, 2022

Due to being in season, interviews will coincide with the open application process.

The role will be open until filled and interviews will commence while application process is open.

Please submit a Cover Letter and CV to: applications@lewesfc.com

Please clearly articulate in your cover letter how your experience and personal characteristics align with the values and ambitions of Lewes FC, as well as provide evidence of how your qualifications and experience match the role described above.

Interview Process:

We will begin interviews coinciding with the open application process. Please review the dates below and note in your application email if any of the below dates would not work with current commitments.

- Formal Interviews Open: October 12 – until position is filled
- Expected Start Date: As soon as possible
