Summary

Job Title: Men's first team physiotherapist/sports therapist

Employer: Lewes FC

Hours & Availability: Part-time role

Remuneration: Competitive

Reports to: 1st Team Manager

Location: The Dripping Pan, Lewes, Mountfield Road

Lead Physiotherapist

- Lewes Men are looking to recruit a highly motivated, innovative, passionate, and committed physiotherapist, to undertake a role as Physiotherapist overseeing the medical care of our men's 1st team players.
- The successful applicant will have gained experience and knowledge from working within sport and have a keen interest in evidence based, preparation, performance and recovery strategies involving athletes.
- It is desirable for the applicant to have an Emergency Medical First Aid in Football qualification however, the club may assist in providing funding for this for suitable candidates.

Application Process:

Lewes FC prides itself as an equal opportunity employer and we encourage and welcome applications from all candidates including those from under-represented backgrounds such as women, people with disabilities, BAME and LGBTQ+ candidates.

Given the low levels of diversity in football, we understand that candidates from under-represented backgrounds are unlikely to have been given adequate opportunity in the game. Consequently, we will ensure that the application process does not unduly favour candidates with such experience over applicants without it.

All applicants must have specific Safeguarding and Protecting Children / FA Safeguarding Children qualifications.

To apply, please email a CV and cover letter outlining why you'd be great for the role alongside any relevant experience to john@lewesfc.com with the subject line: "Physiotherapist: Your Name".

The role will be open until filled.

Please clearly articulate in your cover letter how your experience and personal characteristics align with the values and ambitions of Lewes FC, as well as provide evidence of how your qualifications and experience match the role described below.

Roles and responsibilities

- Attend all training sessions and Competitive Matches played by the club through pre-season and season, as well as providing or arranging equivalent services to players during the off season to ensure continuity of treatment.
- Be responsible for the day-to-day delivery of high-level injury rehabilitation and pitch side first aid / emergency care including the systems and infrastructure required to ensure that these processes are supported, documented, and reviewed appropriately.
- Manage Medical Records with contemporaneous confidential medical and performance records.
- Have excellent management, and communication skills with the experience, to plan, communicate, align, and integrate diverse solutions to cultivate the best medical and sport science care for athletes and clearly communicate with all players and staff.
- Have a keen interest in evidence-based practice, preparation, performance, and recovery strategies in football.
- Ability to make decisions and work independently as a lead of a department, managing budgets, oversight, collaboration, player care and welfare in connection with the club and team ethos, cultivating a positive, transparent ecosystem of care.
